DISTRICT 4 NEWS

Saluting our top grads!

It was a thrill and an honor to be a part of Birmingham City Schools' annual luncheon for our valedictorians and salutatorians!

We are so proud of these top graduating seniors and eager to see what their future holds. This certainly isn't the last you've heard of them. Congrats to them and their families!

Working to ensure our students succeed after graduation

We work hard to make sure our students find success no matter what pathway they choose,

It was great to be with dozens of employers who met our seniors at a hiring fair to tell them about job opportunities available to them immediately after graduation!

Congratulations to Madison Abney of Hayes K-8 School for getting her board certification as a teacher!

Earning certification is just one way our staff goes above and beyond to make sure our students get the very best in our schools. Read more here: <https://www.bhamcityschools.org/article/2142473>
