

Preparing for greatness!

Every Day Counts for BCS students!

It was an honor to participate as the Housing Authority, the City of Birmingham and BCS held the most recent drawing to reward families in public housing whose children had perfect attendance in school. Winning families received \$250 to go toward rent and utilities. Don't miss out! Be in school!

High school seniors, it's scholarship season! Go to <https://www.bhamcityschools.org/scholarships> to check out the opportunities.

One option comes from the Council of the Great City Schools, which provides African-American and Hispanic high school seniors with college aid through the Bernard Harris Scholarship Program. Visit <https://www.cgcs.org/awardsscholarships>. But don't delay, because deadlines are fast approaching!

And don't forget Birmingham Promise, which is available to ALL BCS graduates, providing up to four years of free college tuition. To learn more, go to <https://birminghampromise.org/get-involved/scholarships/>.

School Board March 11 & March 25

The board meets at 5:30 p.m. at the central office building.

Spring Break March 24-28

Enjoy an adventure or just a little rest as we take a well-deserved week off!

Grading Period March 20

The 3rd grading period officially draws to a close on March 20. Get that schoolwork finished!

DISTRICT 4 NEWS

Inglenook one of state's Most Improved Schools

BCS leaders and educators from Inglenook Pre-K-8, Arrington Elementary and Oliver Elementary took a field trip to Montgomery recently to be recognized by the State Board of Education for ranking among the Most Improved Schools!

We're proud of them all, especially District 4's own Inglenook. Our students and staff are serious about success!

It's been a busy time at Woodlawn High School, which recently had its senior breakfast and a college and career fair.

For Black History Month, students at Inglenook Pre-K-8 School celebrated with musical performances and a living wax museum. Great job, students!
