

So much to celebrate in BCS

BCS graduates receive more than \$87 million in scholarships

Big congratulations to 1,200 BCS seniors who graduated this year!

Their achievements go far beyond simply walking across the stage. As a group, the BCS Class of 2025 received more than \$87 million in college scholarships. Some graduated from high school with almost two years of college credit. Others have earned industry credentials that will jumpstart their careers.

Results like these start well before students' senior year. You can help lay the groundwork by taking advantage of innovative BCS programs that provide extra opportunities, including our summer learning programs, high-dose tutoring, career academies and Birmingham Promise internships. Ask today how we can help your student lay a foundation for success!

And while we are at it, remember it's not too early to register for the next school year! Registering early helps prepare for success in the year to come. To register your student, go here <https://www.bhamcityschools.org/o/bcs/page/registration>.

School Board June 10 & June 24

The board meets at
5:30 p.m. at the
central office
building.

Summer Learning June 11-July 11

Free programs offer
extra instruction and
come with meals and
transportation.

Report Cards June 12

Be on the lookout for your
students' report cards, which
go out this date. Here's hoping
for high marks!

DISTRICT 4 NEWS

From school awards to state track meets to a Birmingham Promise celebration, the past few weeks have been jam-packed with activity for those who make up BCS. Take a look at just a few memories!
